ABOUT THE COMPANY

Epicerie Enterprises Inc. is a proudly Filipino-owned company committed to excellence in the grocery and food distribution industry. Rooted in the French word *épicerie*, meaning “groceries,” our name reflects our core mission: to provide high-quality grocery items and food products that enrich everyday living.

Driven by a passion for quality and customer satisfaction, Epicerie Enterprises Inc. continues to expand its reach and reputation as a trusted name in grocery gifting, food service, and product distribution. Our goal is to serve with purpose—bringing joy, convenience, and taste to every table we touch.

At Epicerie Enterprises, we are more than just a grocery company—we’re a multi-brand enterprise with specialized accounts that cater to a wide variety of markets and occasions.

International Beverage Distribution

In 2025, Epicerie Enterprises Inc. expanded its operations into international beverage importation, establishing partnerships with beverage manufacturers in Vietnam. The company now imports and distributes Vinut Fruit Drinks, a globally recognized brand known for its refreshing tropical flavors made from real fruit ingredients.

Through this partnership, Epicerie Enterprises Inc. supplies Vinut Fruit Drinks to wholesalers, retailers, and food service establishments across the Philippines, further strengthening its presence in the beverage distribution market.
